# Beyond Us

## BEYOND YUCATAN

TRAVEL BY DESIGN

We are your bucket list, your wish list, everything you want to do in Yucatan before you die, your link to all your dreams: gastronomic, cultural, leisure, art, nature and anything you can think of.

We are your way through Yucatan, a local, honest, exciting and, above all, unique experience. We are more than local guides, more than routes and transportation, more than a travel agency. We are so much more.

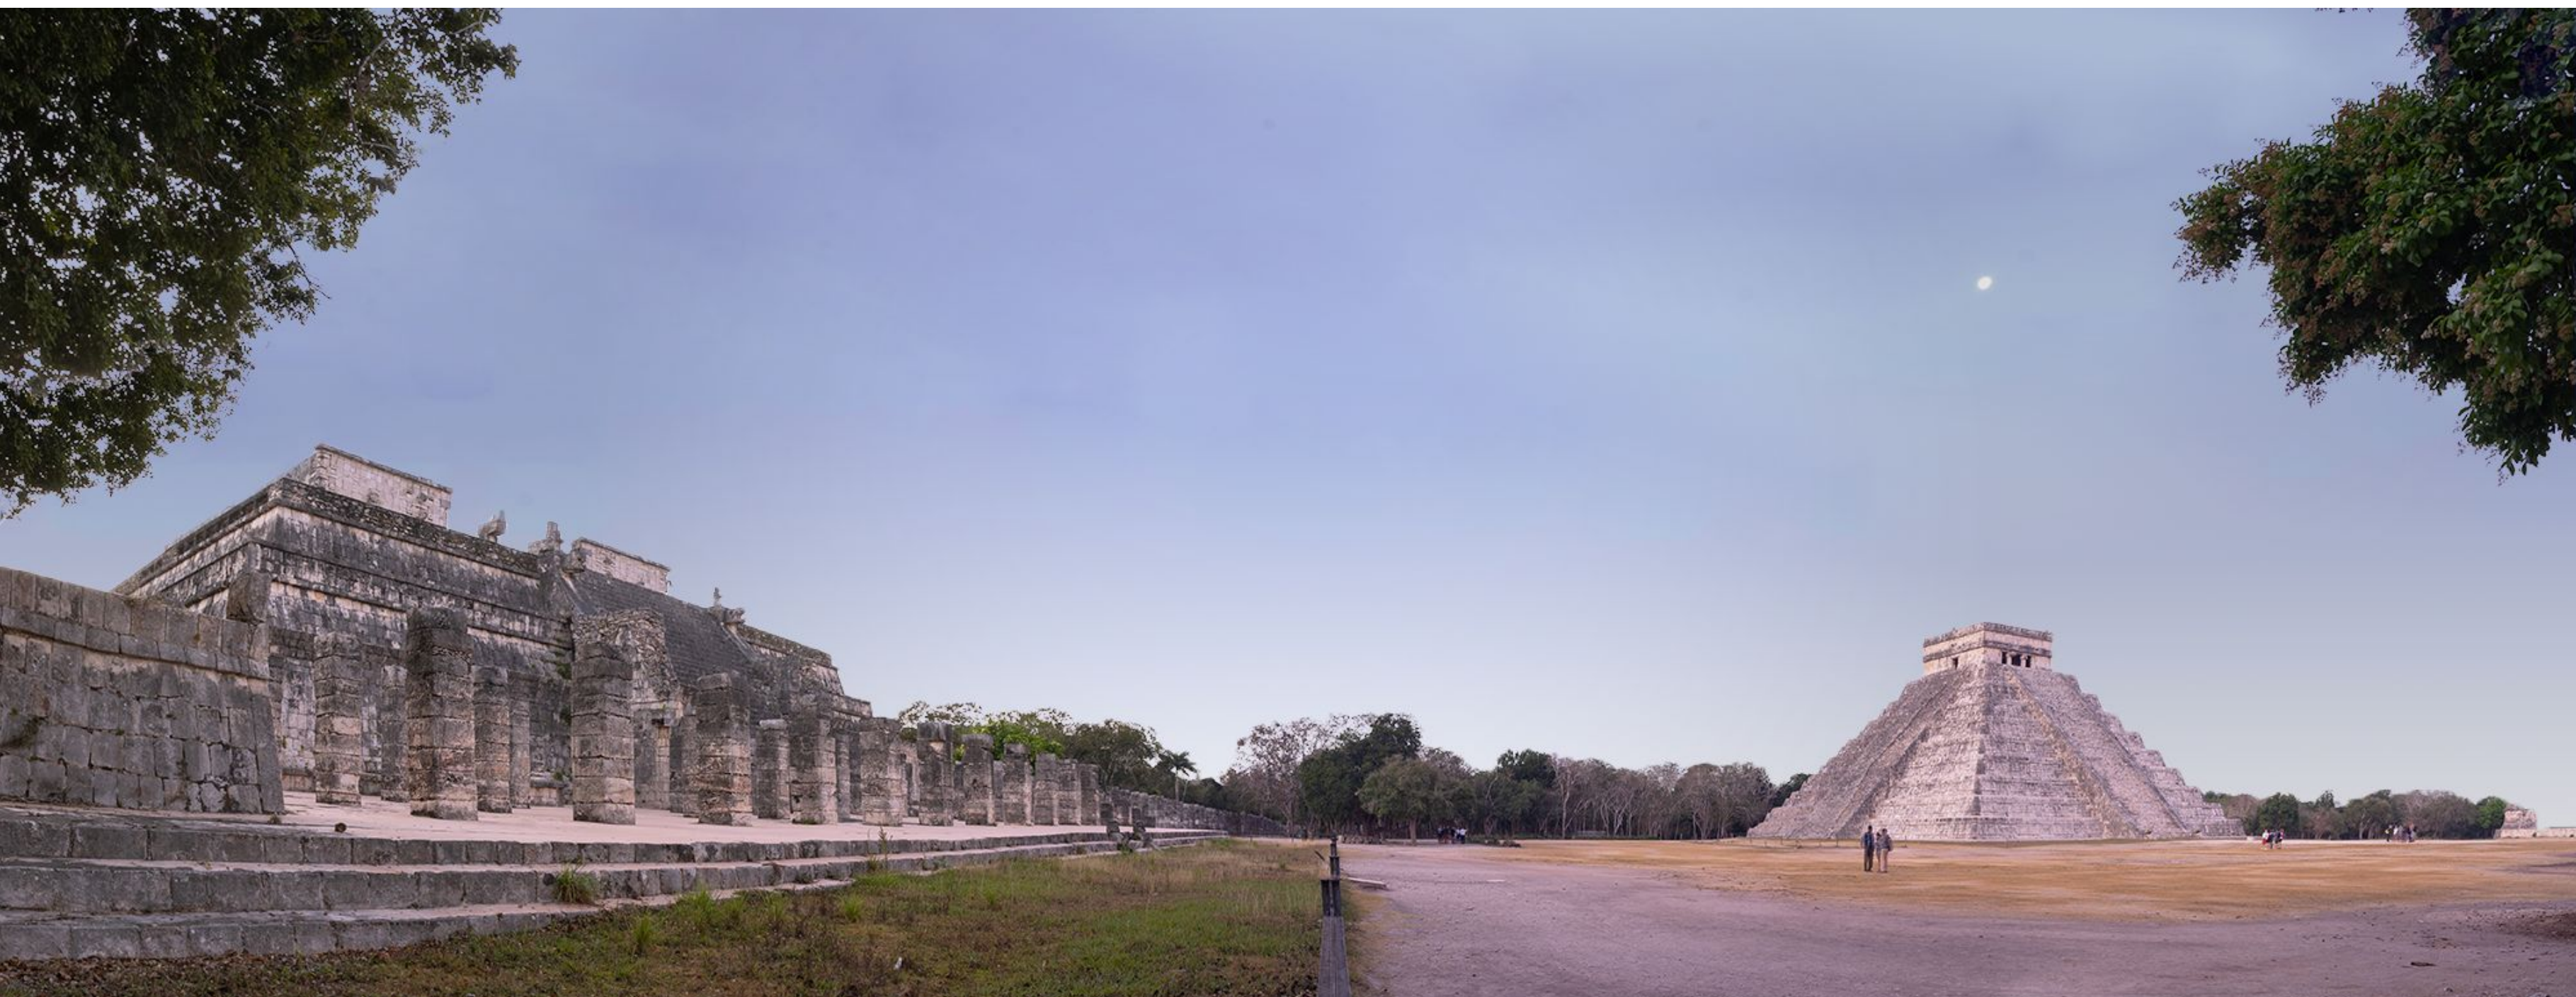

## We will take you to unique and unknown places!

This is a encounter for your client

# TRAVEL BY DESIGN

**We are designers of personalized experiences, of unique adventures in the Yucatan Peninsula.**

Beyond Yucatan advisors are here to listen, get to know you and discover what inspires you.

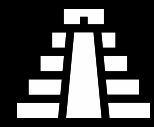

**It is about how you want to feel, what you would love to experience,** that is why you will have a **concierge** to create unique opportunities, while guiding you through the Yucatan Peninsula.

# Why Yucatán?

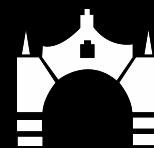

**1,200 archaeological sites** throughout the state, including one of the 7 new wonders of the world: Chichén Itzá

Also 3 of our archeological sites are named as **World Heritage by UNESCO: Uxmal, Mayapán and Chichen Itzá**

The meteorite that extinguished the dinosaurs fell in Chicxulub, this generated the chain of underground rivers that today we know as Cenotes

The era of green gold, as the henequen fiber was known, left us more than **1,900 farms in Yucatán.**

60% of our population speaks "Mayan" as their first language.

# Why Yucatán?

We have 2 biosphere reserves:  
**Rio Lagartos and Celestún**, plus  
a protected nature system in areas  
of a total of **535,245 hectares**.

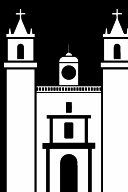

More than **200 Colonial towns** to  
explore. All accompanied by  
gastronomic pleasure.

More than **1900 cenotes**, ideal for  
diving and swimming.

More than **548 species of birds**; a  
number greater than the total of  
those existing in the USA and  
Canada.

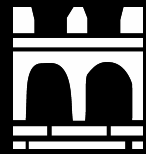

The Historic Center of **Mérida** is  
the **second largest** in Mexico  
with more than **7 blocks** around.

# Why Yucatán?

In Yucatan there are 4 magical towns: **Izamal, Valladolid, Maní and Sisal.**

Yucatan has more than **450km** of beaches known as the **Emerald Coast** of Mexico for its white sand and its emerald green sea.

Half of this territory is protected beaches in ecological reserves.

Our gastronomy is one of the most varied and representative of Mexico, with dishes that have spread internationally such as the **Cochinita Pibil** and the **Lima** soup; and ingredients that today are used in the most internationally known restaurants **such as the habanero pepper, the achiote and the chaya leaf.**

In Yucatán Peninsula Nature and living History coexist through archeological zones, beaches, caves (cenotes) and colonial towns; including gastronomic pleasure.

# Why Beyond Yucatán?

Let us guarantee a unique, pleasant, luxurious and comfortable experience;  
Through our creative, thoughtful and expert company in this land full of surprises.

We want to be **the storyteller of your history in Yucatan**
